

Active Foam Green

Material Safety Data Sheet

1. Product and Company Identification

Product Name:	Active Foam Green
Recommended use:	The product is suitable for touchless wash.
Manufacturer	
Company Name:	Tip-Top Chemicals
Address:	haOphan 7, Karmiel, Israel
Telephone:	+972 4 6415883

2. Hazards Identification

Hazard Class	Hazard Category	Hazard Statement	Code
Acute Toxicity	5	Harmful if swallowed	H302
		Harmful in contact with skin	H312
		Harmful if inhaled	H332
Skin corrosion / irritation	1	Causes severe skin burns and eye damage	H314
Serious eye damage / eye irritation	1	Causes serious eye damage	H320

Symbols:

GHS05

Signal Word:

Danger

Precautionary Statement Code	Precautionary Statement
P102	Keep out of reach of children.
P280a	Wear protective gloves.
P280c	Wear eye protection.
P305+351+338	IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
P301+312	IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell.
P303+361+353	IF ON SKIN (or hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower.
P332+313	If skin irritation occurs: Get medical advice/attention.

Active Foam Green

Material Safety Data Sheet

P337+313

If eye irritation persists: Get medical advice/attention.

3. Composition / Information on Ingredients

Name	CAS Number	Content, wt%
Sodium metaborate	98536-58-4	<5
Sodium ethylenediaminetetraacetate	10378-23-1	<5
Sodium hydroxyethylidene diphosphonate	3794-83-0	<5
Cocobetaine	68424-94-2	<5
Lauryl dimethylamino-N-oxide	61788-90-7 / 7732-18-5	<5
Ethoxylated nonylphenol	9016-45-9	<5

4. First Aid Measures

Eyes:	Hold eyelids apart and flush the eye continuously with running water. Continue flushing for at least 15 minutes. Get medical attention immediately.
Skin:	If skin or hair contact occurs, remove contaminated clothing and flush skin and hair with running water. If damage occurs, get medical assistance. Launder contaminated clothing before reuse.
Ingestion:	If swallowed, rinse mouth immediately, do NOT induce vomiting. If vomiting occurs spontaneously, keep head below hips to prevent aspiration into lungs. Keep at rest. Obtain immediate medical attention.
Inhalation:	Move the victim to fresh air immediately. Avoid over-exposure to those giving assistance. Begin artificial respiration if breathing has stopped. Get immediate medical attention. If respiratory irritation, dizziness, nausea or unconsciousness occurs, seek immediate medical assistance. If breathing has stopped, assist ventilation with a mechanical device or use mouth-to-mouth resuscitation.

5. Fire Fighting Measures

Flash Point:	NA
Autoignition Temperature:	NA
Flammable Limits in Air:	NA

6. Accidental Release Measures

Active Foam Green

Material Safety Data Sheet

Prevent fluid from escaping to drains and waterways. Contain leaking packaging in a containment drum. Ensure that drain valves are closed at all times. Clean up and report spills immediately.

7. Handling and Storage

The product should be kept thoroughly closed in original container in cool place away from direct sunlight.

8. Exposure Controls / Personal Protection

Eye / Face Protection:	Where there is potential for eye contact, wear a face shield, chemical goggles, and have eye-flushing equipment immediately available.
Body Protection:	PVC-coated gloves. Avoid skin contact. If skin contact or contamination of clothing is likely, protective clothing should be worn.
Respiratory Protection:	Avoid breathing vapour or mist. Use NIOSH approved respiratory protection equipment appropriate to the material.

9. Physical and Chemical Properties

Appearance	Clear, light-green liquid
Odor	Light specific odor
Boiling point (°C)	n/a
Solubility in water	Miscible
pH	12-13

10. Stability and Reactivity

Stability:	Stable under normal conditions.
Conditions to avoid:	Avoid excessive heat.
Materials to avoid:	NA
Hazardous decomposition products:	No hazardous decomposition products except on burning.
Hazardous polymerization:	Not expected.

11. Toxicological Information

Active Foam Green

Material Safety Data Sheet

Eyes:	May cause severe eye damage.
Skin:	May cause skin burns and irritation. On prolonged and/or repetitive exposure may develop skin dryness.
Ingestion:	Harmful if swallowed. ATE calculated from components' toxicological data is 6500 mg/kg.
Inhalation:	Does not produce hazardous vapours. Inhalation of aerosol may cause serious damage to lungs and breathing ways.

12. Ecological Information

In compliance with GHS and based on ingredients' acute and chronic ecotoxicity the product is not classified as possessing acute or chronic toxicity for aquatic life.

13. Disposal Considerations

Disposal Methods:

Disposal should be in accordance with local, state or national legislation

14. Transport Information

N/A

15. Regulatory Information

N/A

16. Other Information

The information contained herein is based on our current knowledge of the underlying data and is intended to describe the product for the purpose of health, safety and environmental requirements only. No warranty or guarantee is expressed or implied regarding the accuracy of these data or the results to be obtained from the use of the product.
